## “ This Could Be It Tour”

The name says it all, Potentially Red’s last tour as he heads out on the road to hold Lodge Meetings all over North America. Might be your last opportunity to catch Red live (or as live as he gets) before he takes a long look at his birth certificate and decides not to keep pushing his luck.

This latest one man show features some brand new handyman projects, advice to married guys and teenage boys, tips on getting old, an apology to the world on behalf of all baby boomers. Special contributions from Harold and a couple of other cast members, talking animals, and a final wish from Red to all of his loyal fans

### This trip includes:
