FUND RAISING EVENT FOR THE HARBOR BEACH LIBRARY

DOW GARDENS

Bring your family and friends to experience this dazzling 110-acre display of annuals and perennials punctuated by distinctive bridges, an award-winning children's garden, towering pines, and delightful water features. Your admission includes access to **Dow Gardens** and a guided tour at the **Whiting Forest**, where you can explore the forest from the tree tops along the nearly 1,400ft canopy walk, the longest canopy walk in the United States!

The Gardens began as a secure and loving home for entrepreneur Herbert H. Dow, his wife (teacher and philanthropist) Grace A. Dow, and their seven children. Experiments with changing the landscape, discovering which flowers, shrubs, and trees would grow well in the sandy soil, and developing new methods for fruit culture all provided another outlet for Herbert's far-reaching talents. Upon his passing, Grace Dow established The Herbert H. and Grace A. Dow Foundation, which has charter goals to improve the -educational, religious, economic, and cultural lives of Michigan's people. Dow Gardens is a signature gift of The Foundation as the family shares the estate with the community and its visitors. Dow Gardens now welcomes over 173,000 guests per year.
